

Hardscape Specialist

Chris' Landscape, Inc. is a full-service design, install, maintain landscape contractor. We serve Chicago and Chicago's north and northwest suburbs. We continue to grow and aim to improve our services. We expect all our team members to excel in client service. The majority of our landscape design and installation work is for clients with single-family homes.

We are seeking a qualified individual for the Hardscape Specialist position who can lead and instruct a landscape/hardscape crew. This person should have 3+ years of experience in the landscape/hardscape field with specific experience in the use of brick pavers and natural stones for the installation of patios, walkways, stairways, driveways, retaining walls, grill enclosures, pillars and masonry veneer work. The person in this position will report to the Designer/Construction Supervisor.

No doubt we are looking for a talented person but we are also looking for a person with a positive attitude, will to learn, a great work ethic and expand their knowledge in the landscaping business. It is also important that this person is a good listener, self-motivated, organized, detail oriented and works well in a team environment and wants to grow professionally within our company. We offer a competitive wage and benefit package commensurate with your experience.
