

Position Description

Landscape Intern

Chris' Landscape, Inc. is offering an exciting opportunity with the company this year. The position within the Company will be titled Landscape Intern. This position is a full time hourly position. We will work with the intern to set the position schedule around the availability of the intern.

We are a full-service landscape contractor that has been in business since 1996. We excel in landscape design, installation and maintenance services to residential and commercial clients throughout Chicago and the suburbs.

The person in this new position will be working with either the landscape maintenance crews or the landscape design/construction group. There will be direct contact with the owner on a daily basis to determine if the intern is getting enough guidance and is satisfied with the work.

The landscape intern position will definitely allow the candidate the opportunity to learn about most aspects of how this company operates and the landscape industry in general. At Chris' Landscape, Inc. you may be asked to take on many different tasks that need to be done. This position will allow you to experience the business "hands on" and we will be able to tailor the work to meet the intern's desires.

We hope you will consider working for Chris' Landscape, Inc. this season. Please call or e-mail us so we can meet and decide if you are a good fit for the Chris' Landscape, Inc. team.
