

## Position Description

### Landscape Supervisor/Salesperson

Chris' Landscape, Inc. is offering an exciting new position with the company. The title of the position will be Landscape Supervisor/Salesperson. This position is a full time year round position.

We are a full-service landscape contractor that has been in business since 1996. We offer landscape design, installation and maintenance services to residential and commercial clients throughout Chicagoland and the suburbs.

The person in this new position will be working with the landscape maintenance crew from mid-March through early December. Presently at our company we do landscape maintenance four days/week (Tuesday through Friday). On Monday and Saturday, the landscape maintenance crew either works with the landscape construction crew or does extra work for their landscape maintenance clients.

You will be with the crew daily working on the properties; responsible for the crew's work; meeting with the clients; answering the client's questions; dealing with the client's complaints; selling our company's full array of services to these clients; marketing and developing other business in the same neighborhood.

There will be plenty of work in the "off-season" (December to mid-March). In the "off-season" you will help with snow removal for our clients, if necessary. This time of year is also a good time to: attend continuing education classes/seminars, maintain the equipment, go to equipment auctions, do company marketing, do office work, meet with potential clients, design work for the next year and any other business related work.

The landscape supervisor/salesperson position will definitely allow you the opportunity to learn the landscape industry and this company "from the ground up". Because Chris' Landscape, Inc. is a small company you may be asked to take on many tasks that need to be done to keep this company moving forward that are beyond your main responsibilities. This position will allow you to experience the business and we can tailor your desires to meet the company's needs. There is a possibility that you may have to repair equipment or take equipment to be repaired, purchase landscape materials at a nursery/garden center, help with work in the office as well as many other unforeseen tasks.

This position can be paid as a salary or hourly position. Benefits include hourly pay, overtime pay over 40 hours/week (1.5 times hourly rate), paid holidays, paid vacation time, paid sick time, and profit sharing plan. Health insurance is not presently offered but may be negotiable as part of this position.

I hope you will consider working for Chris' Landscape, Inc. Please contact us to determine if you are a good fit for the Chris' Landscape, Inc. team.
